Etiquette of Play:

PLEASE ORDER LUNCH AT SIGN-IN TABLE BEFORE PUTTING BEGINS:

1. Partners are chosen by random selection.
2. Choose a starting hole and then play the other holes in sequential order.
3. Always place ball a putter head length on the left side of *Hole Tee* marker for right-handed putters and on the right side for left-handed putters.
4. Partners take turns putting. One partner goes first for the first nine holes, OR goes first on alternate holes. Putt until your ball goes in the hole, and then the partner putts.
5. Keep pace Ladies! Set your ball down as soon as your partner putts.
6. If ball goes off the putting green (first cut is off the putting green), place it two putter head lengths from the edge of green and add 1 penalty stroke to your score.
7. On the Signature hole, neither any obstacle nor your ball may be moved to make the putt easier. This hole is supposed to be harder than usual.

Score Card

- You and your partner keep both scores on both scorecards.
- At the end of play, check scores. They should match, and both players sign both cards.
- Go to sign-in table and fill out the HiOs slip if you had any holes in one. Signature hole will be a 0 or a 1. (You either got a hole in one here or you did not.) How many other holes in one go on the next line (0,1,2,etc.) Add the two lines together to get the total at the bottom.
- Turn in both scorecards and (if applicable) HiOs slip at the table. Go enjoy lunch. Prizes are awarded immediately after putting, and will be held for you if you cannot stay.

No 'GIMMIES'. Everyone putts until ball goes in HOLE,
or maximum number of strokes: 6 (unless tournament play)
