

Lake Arrowhead Country Club

The Dawn of a New Era

By Cary Massey, General Manager

GETTING READY FOR A NEW SEASON

Whether you are enjoying warmer weather or our own personal winter wonderland, we want you to know that we have been busy working and preparing for next season!

Our goal is to provide the members with an experience they won't soon forget. As you know, the tools and time that we need to accomplish this does not just fall out of the sky...think of us like Santa's Elves...as soon as the first snowflake falls we immediately switch to our clean-up and reset mode.

Now is the time, especially this year, to prepare for an even BETTER experience in the coming season!

We all have great things in store for you this year and are working hard to accomplish them before opening in Spring.

FOOD AND BEVERAGE NEWS

Our Food and Beverage Team has received a much needed and welcomed boost with the promotion of T.J. Bogle to Clubhouse Manager and Britni Marinaro to Food and Beverage Manager. The department is reorganizing to balance the workload and fine-tune every minute detail of each event; from menu knowledge to enticing you with that new scrumptious dessert. The sound of live music will be heard more often and you can expect to see a much "Sharper Image" with our seasonal staff the next time you dine with us.

Whether it's greeting you at the door, seating you at your perfectly set table or knowing your favorite beverage by heart, you will appreciate the difference in the extra level of service you will receive in all our venues.

A LITTLE VINO!

This year, we are very excited to enhance our wine list which will include some very exclusive vineyards and winemakers:

Silver Oak
Tuomey
Paul Hobbs

...just to name a few...

Kosta Browne
Pahlmeyer
Sea Smoke

You won't want to miss our Thirsty Thursday Kick Off!

KATHLEEN'S KITCHEN

We are making plans to revitalize our menus with a fresh look and a healthy feel. Our goal is to include more Organically grown foods to the offerings yet keep the versatility that everyone has grown to enjoy. Bearing in mind that all our menus will be flexible for your special dietary needs; it just takes a phone call to our very talented Chef.

We want your first dining choice to be Lake Arrowhead Country Club. The place that you can be proud to bring your family and friends.

Speaking of our talented Chef - Kathleen will be filming some cooking webinars on a variety of topics from the simplest bread baking to the most technical dessert making.

Prepare to be delighted and bring your appetite...Yummy!

IN THE PRO SHOP

Not only will Tim and our Assistants be stocking the shelves with a wider selection of merchandise for all ages this year; you will also see them out on the course keeping the games moving, out on the range helping you with your swing or on the 1st Tee with some friendly conversation.

Locker Room modifications have been made where you can "kick off your cleats" while you watch the game and leave them with our shoe room attendant who will be available to you on weekends and for tournaments to keep your kicks polished and dialed in for the next round.

BEHIND THE SCENES

We have been busy working on the creation of our Annual Calendar. That process begins in December and is usually finalized for printing in February. In addition to creating our Membership Roster, through the months of January, February and March, we are building the pages that will be sent out in our Annual Mass Mailer including these and many other informational items for the coming season.

Keep your eyes open to see a new "look" for our website and printed materials that reflects a fresh style we know you will appreciate.

In the meantime, here is just a preview of some of the fabulous new & exciting events we are preparing to entertain you with.

Be sure to mark your calendars!

LET'S GET YOUR PARTY STARTED!

Whether it's a birthday, anniversary or a family wedding, we would love to help you plan for your next Special Event. Our Event Coordinator, Lya Silva will be happy to assist you. Just give her a call or send her an e-mail and get your party started!

TENNIS ANYONE?

We are pleased to introduce our new tennis professional, Chad Empey. This year, our tennis program is filled with fun and innovative ideas in addition to a Tennis Pro Shop fully stocked with the latest styles and tennis gear.

ON THE COURSE

The grass is growing as fast as we can mow it and our Greens Team with a full staff, is working diligently to assure that the course is green, flowers are abundant and all 18-holes are perfectly manicured.

In the meantime, our Greens Department is busy tuning the equipment to their ideal specs so when the time comes, they will be ready to roll!

TECHNICALLY SPEAKING

Lake Arrowhead Country Club has come into the 21st century!

By increasing our server capacity and upgrading our network equipment you should experience more fluid access when you visit the club... come check it out for yourself.

~NEW ON THE HORIZON~ Throughout the season, we will be offering a series of courses for all the Apple products you use:

iPhone, iPad iWatch

Watch for emails about these classes and register quickly as they will fill up fast!

On another note, we recognize that the convenience of making that Tee Time and dinner reservation is very important to you... well....

THERE'S AN APP FOR THAT! Yes, we are looking into the LACC APP that will provide immediate online access for all your reservation needs.

STAY TUNED!

OUT AT THE POOL

New furniture, new cabanas and Fun in the Sun!

Imagine this if you will...being seated on a comfy sofa aside a mesmerizing fire pit, sipping a cognac or glass of wine, overlooking the spectacular view of our Golf Course in full bloom...music playing in the background and the smell of a delicious BBQ every Friday, Saturday & Sunday...whether it's with your loved one or a group of your closest friends. What better way to spend your summer!

We are eager to share these upgrades and much more with you.

FOR SAFETY SAKE

Lake Arrowhead Country Club is committed to the safety and well-being of all its members and staff.

In addition to keeping two defibrillators on site in the event of a cardiac emergency, all of our staff has been trained in CPR and became AED certified! Member training sessions will be added in the coming months.

Safety FIRST!
